§ 4.66b Pollution of coastal and navigable waters.

(a) If any Customs officer has reason to believe that any refuse matter is being or has been deposited in navigable waters or any tributary of any navigable waters in violation of section 13 of the Act of March 3, 1899 (30 Stat. 1152; 33 U.S.C. 407), or oil or a hazardous substance is being or has been discharged into or upon the navigable waters of the United States, adjoining shorelines, or into or upon the waters of the contiguous zone in violation of

the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251, 1321), he shall promptly furnish to the port director a full report of the incident, together with the names of witnesses and, when practicable, a sample of the material discharged from the vessel in question.

(b) The port director shall forward this report immediately, without recommendation, to the district commander of the Coast Guard district concerned and a copy of such report shall be furnished to Headquarters, U.S. Customs Service.

§ 4.66c Oil pollution by oceangoing vessels.

(a) If a port director receives a request from a Coast Guard officer to refuse or revoke the clearance or permit to proceed of a vessel because the vessel, its owner, operator, or person in charge, is liable for a fine or civil penalty, or reasonable cause exists to believe that they may be subject to a fine or civil penalty under the provisions of 33 U.S.C. 1908 for violating the Protocol of 1978 Relating to the International Convention for the Prevention of Pollution from Ships, 1973 (MARPOL Protocol), the Act to Prevent Pollution from Ships, 1980 (33 U.S.C. 1901-1911), or regulations issued thereunder, such clearance or a permit to proceed shall be refused or revoked. Clearance or a permit to proceed may be granted when the port director is informed that a bond or other security satisfactory to the Coast Guard has been filed.

(b) If a port director receives a notification from a Coast Guard officer that an order has been issued to detain a vessel required to have an International Oil Pollution Prevention (IOPP) Certificate which does not have a valid certificate on board, or whose condition or whose equipment's condition does not substantially agree with the particulars of the certificate on board, or which presents an unreasonable threat of harm to the marine environment, the port director shall refuse or revoke the clearance or permit to proceed of the vessel if requested to do so by a Coast Guard officer.
